ASTIGMATISM.

What it Is, and How Corrected.

Astigmatism or Irregular Vision is one of the most common of all the refractive errors. It is due to the irregular curvature of the film known as the Cornea. Of course no instrument is sufficient to correct it, but in the hands of a thoroughly efficient and competent Eye specialist the opinthalmometer reveals the exact condition of the eye in a way that nothing else can If your eyes need attention have DR. ARE YUO GOING?

To Hear and See the Inimitable Ralph Bingham.

The following is from the Easton, Maryland, Gazette:

"After a period of nearly thirteen years absence from our town, Mr. Ralph Bingham gave one of his charming entertainments at Music Hall. It requires the ability of genius for one person to entertain an audience for a period of two hours, and this Mr. Ralph Bingham accomplishes with ease.

"The late Mr. Hermann (magician) was considered a marvel in this respect, but when approached by a friend and congratulated after one of his extraordinary exhibitions upon his ability as a 'single handed entertainer,' rather astounded the enthusiast by remarking: 'I assure Monsieur of many thanks, but Monsieur remembairs not ze one hundred and feefty in ze wing.'

"Mr. Bingham does not require 'one hundred and fifty in the wing.' He is an impersonator, humorist, violinist, and a pianist of great ability. From the beginning of the performance to the end his audience is with him. A natural actor, his spontaneous expressions are brimming with wit, and and no one is liable to suffer from ennui while he has the stage.

"For nearly two hours he held the audience—at times convulsed with laughter, again moved to a deep quiet by the pathos of a selection, or silenced by the charm of music drawn from his violin. By his versatality he was able to keep the interest up to the highest pitch, and the encores were frequent and graciously responded to by Mr. Bingham. His violin work was fine, especially 'The Poet and Peasant' and 'The Intermezzo Cavalleria Rusticanna,' by Mascagni, etc.

"As a special favor to the promoter of the entertainment, and as a compliment to Mr. Bingham, M. E. Ashton Plummer took charge of the stage arrangement and the audience expressed their approval of his dainty drawing room effect by their applause on the rise of the curtain. Pillowed couches, divans draped with Turkish curtains, paintings upon the walls, and palms arranged in an octagon shaped room was indeed restful and refreshing to the habitue of Music Hall.

"It is to be hoped that Mr. Bingham may soon favor Easton with another visit."

Mr. Bingham will appear at the Academy of Music in this city Thursday night, under the management of the ladies of the Centenary M. E. Church. A large crowd is assured.

Tickets will be placed on sale at Gardner's drug store tomorrow morning. Price of admission, 35 cents for adults and 25 cents for children. No extra charge for reserved seats.

WAR IN AFRICA.

The Gate Receipts at Police Court Will Pay the Penalty.

Officer Jordan had his hands full last night, and as a result of his work Mayor Taylor will have a full house this afternoon. It seems that there were young wars and unlawful acts galore among the colored contingent of our population as the following will show:

Pearly Gray became engaged in a fisticuff with a white man in the city bar yesterday evening and the combat was continued after coming out of the place. Pearly was locked up by the aforesaid officer and the mayor will examine him at 4 o'clock.

Two negroes, Bouie Galloway and Sim McIver, were scrapping at the skating rink in great style last night when Mr. Jordan interfered and cited them to trial before our city executive.

About 12 o'clock last night on Dodson's Row Charity McConell and Dick McConell, descendants of Ham, came to blows and they also were cited to trial by Mr. Jordan.

Matthews Ivins indulged last night too freely in "tangle-foot" and was hauled off the streets to the lockup by the above-named custodian of the peace. He, too, will stand (if able) before the mayor this evening and answer to the charge.

If there were any other "scraps" or disorders they have not been reported.

Junior Order Increase.

The report of the national secretary of the Jr. O. U. A. M. for the year 1898 shows that North Carolina was fourth in the increase of membership during the year. Virginia came first, Pennsylvania second, and Maryland third. The number of Juniors in this state as shown by the report is 2725, a gain of 871 during the year.

Rev. C. A. G. Thomas, of Fayetteville, is the national council representative of Greensboro Lodge No. 13, and will leave this week for Minneapolis, Minn., to attend the sessions of the national council, which convenes June 20-24.

GEN. LUNA ASSASSINATED

By Order of the Rebel Leader Aguinaldo,

FOR DISOBEYING HIS ORDERS.

Luna's Death Caused Excitement At Manila—A Bitter Foe Of The Americans.

By Cable to THE TELEGRAM.

Manila, June 13.—General Luna, one of the bitterest foes of the Americans in the Philippines, has been assassinated by order of Aguinaldo, the Filipino leader. Luna recently found himself in opposition to the chief's views, and not only disobeyed orders but at one time stopped Aguinaldo's peace commissioners on their way to Manila to treat with the Americans. Aguinaldo ordered his death and the order was carried out by some of the rebel chief's fanatical followers. The report of the assassination caused great excitement among the Filipinos at Manila.

BATTLE IN PROGRESS.

Manila, June 13.—Fighting at La Pinas hot all day. Filipinos are resisting Lawton desperately and aggressively, and attempted to turn left flank of Americans. American loss, sixty. Battle still progressing.

HAVING CONVULSIONS.

Policeman Stewart Finds a Man in a Precarious Condition.

While passing McDuffie's furniture store early this morning, Policeman Stewart found William Wyrick lying on the sidewalk and in a serious condition. Mr. Stewart carried the sick man to a boarding house near the market and immediately summoned Dr. Turner, who rendered medical attention. Mr. Wyrick was suffering from convulsions, which are supposed to be caused by drink. Since this morning he has had several convulsions and his condition is very serious. Mr. Wyrick is about 45 years of age and for a number of years was conductor on the Southern Railway, but has been out of employment for two or three months, during which time he has been drinking heavily.

Off for Morehead.

Quite a large party left Greensboro this morning for Morehead City to spend the week during the meeting of the North Carolina Teachers Association. Among the Greensboro people who left are: Misses Sallie and Annie Davis, Ruth Wharton, Laila Smith, Minnie Whitsett, Johnsie Rankin, Mamie Anderson, Annie Michaux and Prof. J. Y. Joyner and family. Prof. J. Allen Holt, and Misses Blanche Holt and Bessie Bains were among the party from Oak Ridge.

In the Reidsville delegation we noticed Misses Emma Evans and Jennie Ellington.

Prof. C. L. Raper, of High Point, also went down this morning.

The following additional persons were among those who left at noon for the Teachers Assembly: Miss Rouss, of this city; Prof. D. Matt Thompson and son, Prof. Walter Thompson, of Statesville.

An Attack of Heart Failure.

Geo. W. Finley, a commercial salesman about 40 years of age, whose home is in Winston, came in on the Winston train last evening intending to go to Kinston, but soon after alighting from the train he suffered an attack of heart failure and fell to the platform and became unconscious. He was carried into the reception room by Policemen Stewart and Pearce and was later removed to Clegg's Hotel, where he spent the night. Dr. Brooks attended him and this morning he returned home, having postponed his trip to Kinston. He was much improved when he left here today and expressed the belief that he would be entirely recovered within a few days.

Will Reside in Greensboro.

Edward McKnight, contractor and builder, whose home was formerly in Winston, but who has been living in Spartanburg, S. C., since January 1, has decided to locate in the "City of Flowers." Mr. McKnight and his excellent family arrived from Spartanburg last night. Mrs McKnight and children left this morning for Winston to visit relatives and friends for a few days. Mr. McKnight will remain here and move his household goods to their new home. We extend to Mr. McKnight and his family a most cordial welcome and hope they may decide to become permanent residents.

Funeral of Mrs. Workman.

The funeral services, over the remains of Mrs. T. J. Workman, whose death was chronicled in yesterday's Telegram, were conducted from the West Washington Street Baptist Church at 10:30 o'clock this morning, Rev. Livingston Johnson officiating. The Telegram joins a host of friends in extending condolence to the remaining members of the family.

WINSTON-SALEM NEWS.

The Postoffice Affair, and Other Notes of Interest.

Special to the TELEGRAM.

Winston, June 13—An order was received here yesterday from the postoffice department directing all Salem mail to be sent through the Winston postoffice on and after the 15th inst. The order is not thoroughly understood, as the two offices are not to be consolidated until July 1st.

The object of the order, no doubt, is to get the postoffice clerks familiar with the work by the 1st.

The colored excursionists from Reidsville did not leave for home until 11 o'clock last night.

There was some drinking, but only two of the visitors were locked up. These were two Winston darkies who live in Reidsville.

The ball game yesterday afternoon between the Reidsville and home teams resulted in a victory for the home team. It was claimed that Reidsville's "brag" pitcher was too drunk to do good work, hence the defeat of that team.

A festival was given at Citizen's Hall last night for the benefit of the Winston colored firemen. It was pretty liberally patronized by the visitors.

Rev. J. A. B. Fry will preach at Centenary church every Sunday morning and at his own church—Grace—on Sunday nights until further notice. This was arranged at the quarterly conference held at Centenary last night. Several matters relating to the church were discussed. The following delegates were elected to the Winston District Conference to be held at Madison on July 5th: T. L. Rawley, G. W. Hinshaw, R. B. Crawford, and J. F. Griffith; alternates, R. W. Belo, Z. T. Bynum, P. H. Hanes, and J. A. Gray.

SHARKEY TO MEET JEFFRIES.

O'Rourke Accepts for Sharkey Jeffries' Challenge.

San Francisco, Cal., June 12.—Tom Sharkey, the pugilist, has received the following telegram from his manager, Tom O'Rourke dated New York, June 11th:

"Tom Sharkey, Pasco Robles, Cal.:

"Have accepted Jeffries' challenge to fight you early in September. You had better come here at once. There is nothing out there. Answer.

"(Signed) TOM O'ROURKE."

To the above the sailor replied:

"Paso Robles, Cal., June 12.

"Tom O'Rourke, New York:

"Am at Springs doing well. Working right along. Will leave for New York in three weeks. Weather is rather warm there.

"(Signed) TOM SHARKEY."

From the above it would appear that the caustic challenge issued by Jeffries just after his defeat of Fitzsimmons, will lead to some arrangement for a battle between the aspiring sailor and the new champion.

He Didn't Tell Us.

Mr. George Blake came into the Telegram office to-day in somewhat of a hurry and told us to stop running his ad about potato slips as he sold every one of them yesterday and customers continue to call. He said he guessed it was on account of the rain, and we asked him how the people found out he had the plants for sale. He laughed a hearty laugh and told us to change his ad, which we did, and it appears to-day on third page, telling of condensed milk. Read it.

A Guaranteed Remedy.

Mr. Jno. B. Wright, of Greensboro, has our thanks for a sample of the North Carolina Diarrhea cure for flux and dysentery. It has proven entirely successful and we cordially commend it to all sufferers.—Charity and Children.

The Mill Continues to Grind.

The case of the state vs. J. H. May, white, for the larceny of meal sacks, occupied all the forenoon in Guilford superior court. The jury acquitted him just before court adjourned. It is believed that the criminal docket will bd finished up by tomorrow afternoon when the civil docket will be taken up.

Lawn Party.

The ladies of Midway church will hold a lawn party at the residence of Mr. N. E. Rankin, on Thursday, June 22nd, opening at 4 o'clock p. m. Ice cream, cake and sherbet will be served. Proceeds for the benefit of their church. They deserve the patronage of their friends and the public generally.

Attention!

The regular meeting of the fire department will be held in Firemen's hall on Tuesday night 13th inst., a 8:15 o'clock. Every member is urged to be present. All committees will please have their reports ready.

By order of
E. L. Clarke, Secretary. J. Henry Phipps, Chief.

A THREATENING MOB

With Lynching on the Brain, Hovers About an Indiana Jail.

By Wire to THE TELEGRAM.

Auburn, Ind., June 13—A threatening mob is now hovering about the county jail and there is every evidence that this town may have a lynching before nightfall. The probable victim is Jacob Helms, of Garrett, who was arrested last night accused of illtreating of the two daughters of James Smith, aged nine and eleven respectively.

Dewey's Slowly Coming.

By Cable to THE TELEGRAM.

Singapore, June 13—Dewey, who landed yesterday, paid a visit to the governor of the Straits settlement. He declined an invitation to stay at the government house, preferring to remain quietly on board the Olympia. The Admiral declined an interview and refused to attend any social functions.

Dr. Creasy Seriously Ill.

Presiding Elder P. J. Carraway, of the Winston district, returned this morning from Winston, where he held quarterly conference in Centenary Methodist church last night. He informs us that Rev. Dr. Creasy, the pastor, is seriously ill, and that the board of stewards, at its meeting last night, made arrangements to have the pulpit supplied during his sickness. Dr. Creasy is sojourning at the home of his son in Wilmington. It is the sincere hope of his many friends in Greensboro that he may be speedily restored to good health.

At West Market Last Night.

The regular weekly meeting of the West Market Street Epworth League was well attended last night and the talk of Rev. V. L. Marsh, of Randolph-Macon College, of Virginia, was interesting and instructive. Rev. Marsh spoke on the "Relation of the Student Volunteer Movement to Missions," and he gave the young people some helpful and wholesome advice as to their mission work and church membership.

Masons at Asheville.

The Grand Commandery, Grand Chapter and Oasis Temple, Mystic Shrine, will meet in Asheville this week. It will be a great gathering of Masons, and Asheville will royally entertain them.

Postponed.

The lawn party, which was to have been given on the Eckle lawn on the evening of the 22nd, has been postponed one week, on account of the Southside Hose Co.'s lawn party on the 21st.

Full Attendance Requested.

The central committee for the gala week held a meeting last night and adjourned to meet at Capt. Ellington's office again tomorrow (Wednesday) night. A full attendance of the members is requested.

Rehearsal of Patience.

Last night's rehearsal of the opera Patience, or Bunthorne's Bride, was almost up to the standard of a public performance. With two or three rehearsals a day from now till Friday a fine production may be expected.

The Dewey Home Fund.

Washington, June 10—The contributions to the Dewey Home Fund received today amount to $553, making the total so far received $6,789. Advices show that contributions in considerable amounts are being made to newspapers, banks and commercial bodies in all sections of the country, and the indications are more encouraging than at any time since the fund was started.

NOTES FROM HIGH POINT.

The Local News From Our Neighbor Briefly Told.

TELEGRAM BUREAU
HIGH POINT, N. C., June 13.

Some of the little coons who carry meals to the colored operatives at Pickett's tobacco factory are becoming a nuisance on the sidewalks. After returning from the factory they congregate on some corner or can be seen sitting down on the edge of the walks eating the scraps left in the lunch buckets, and indulging in talk that is not decent for the ears of the passerby, especially for that of the ladies.

A gentleman from the north by the name of Drane, from South Dakota, who was sent south by the Southern Railway to look up good farming lands with a view to giving information to the people in that section of the country who are contemplating coming this way, is in the city today and will remain several days going over the farming districts in and around here. He will go from this place to Greensboro.

Dewey Hoffman, little son of Mr. and Mrs. Harry Hoffman, who has been very sick for ten days or more, we learn is some better today, which will be good news to all friends of the family.

Mrs. Morris, of Greensboro, who for the past two months or more has been visiting the family of her granddaughter Mrs. A. V. Sapp on Steele street, returned home yesterday accompanied by her little great granddaughter Irene Sapp.

Some one deliberately walked into Mr. N. E. Allred's yard last night, stepped upon the back porch, and carried off three umbrellas, two hair brushes and cake of soap.

The Band Lawn Party.

The lovely lawn on the corner of E. Washington and Davie streets was donated to the Gate City Band by Mrs. E. E. Omohundro for their lawn party which is to be given Tuesday night, June 27. The band will furnish some good music throughout the whole evening. Let all save their money for this party as it is for a good cause.

TUESDAY, JUNE 13, 1899.

END THE WAR!

In a special telegram from Washington to the Baltimore Sun it is declared that there are hostile Filipinos encamped within a few miles of Manila; that the forces in the Philippines are totally inadequate to hold the places captured from the foe; that what has been accomplished is really nothing at all; and that the President's indecision, he fearing the political effect of another call for troops, is hourly making bad matters worse. While the great masses of the American people are hostile to the colonial policy of the government, still if expansion is to be the thing, and these liberty-loving people are to be subjugated, it were best done as quickly and as completely as the resources of the United States will allow. We would rather see a heavy enlistment of troops who would be able to put an effectual quietus on the monotonous war, than to see such long-drawn-out warfare, with our army first gaining and then losing ground, while our troops suffer and die of disease and sunstroke.

Let Uncle Sam's repugnant enterprise be finished if it must be brooked The people are becoming weary of the sick lists and the death rolls.

Every day's delay allows the Filipinos more time to drill, recuperate and regain their lost ground; and each day they become more proficient in the use of their firearms and the more dangerous foes.

Old man Jeffries, father of slugger Jim, who is a preacher, springs a new one on us in asserting that the Lord was in the fight. A dispatch from Los Angeles, the home of the Jeffries, says:

"When the reporter called at the home of Champion Jeffries' father late last night he found the lights out and the family asleep. After some time the family was aroused and came down to hear the news of the fight. Being assured that neither his son nor Fitzsimmons sustained serious injury Mr. Jeffries said: 'It's just as I said some time ago, when I was asked for an expression as to the coming battle, the Lord was in the fight; He was with Jim and of course Jim won.' Mrs Jeffries was delighted her son had won and immediately sent the following to him: 'I am glad you have won the victory you worked so hard for. Signed 'Mother.' "

There was a strange discrepancy in the division of the spoils of the Fitzsimmons-Jeffreys prize fight at Coney Island last Friday night. The amount taken in at the door was $85,270. Hal of the admission money amounted to $42,635. Of this Fitzsimmons received 60 per cent., or $25,581 and Jeffreys 40 per cent., or $17,054. The purse offered by the club was $20,000. In the event of Jeffreys winning this was to be fully divided, thereby making Fitzsimmons' total receipts $35,581 and Jeffreys' $27,054. Besides all this Fitzsimmons received a nose and a pair of eyes which may be reckoned as "spoils." Entirely sufficient to give Bob Fitz!

The death of Capt. Nichols near Manila, was sad but romantic. Mid the thundering of the old Monadnock's guns, in the fierce heat and the strangling smoke, he stood upon the deck and directed the firing upon the enemy's trenches till sunstroke had claimed him. Removed to his cabin he gave his orders and received the reports till unconsciousness and death came to relieve his sufferings. He died as a soldier.

It is announced that "a new constitution will be submitted to the farmer's alliance which prohibits politicians and office-seekers from membership."—Exchange.

We presume that this new constitution will be submitted to the noble order by its politicians and office-seekers.

We wonder if Gen. Henderson, of Iowa, who will probably be Speaker of the 56th, is akin to our friend "Ruff," of Wilkes?

For all their poor fighting qualities the Spaniards are no fools. They know a good thing when they see it. They know from sad experience that American guns are the best in the world, and when they begin to build their new navy they will ask American gunmakers to assist them.

In the Philippines would be a good field for thoroughly testing flash-light photography.

NORTH CAROLINA PEOPLE

Are Very Much Interested In The Virginia Meeting.

TO ELECT MARTIN'S SUCCESSOR

Other Happenings of More or Less Interest Transpiring at the National Capital.

Special to THE TELEGRAM.

Washington, June 13—Nearly all of the prominent Virginia democrats who have been in Washington for the past two weeks left for Richmond Monday. The indications are that the meeting of the state democratic committee, called to decide upon the method of choosing a successor to Senator Thomas S. Martin, would be largely attended, and that all, or nearly all of the prominent lights of the party would be present. Many of the representatives in congress who were not members of the state committee, held proxies, while others went to Richmond merely as interested onlookers. Among the leaders who went from Washington were Senator Daniel, Representative Epes, Representative Otey, Representative Swanson, and others. Several members of the state committee also passed through Washington Monday morning and afternoon on their way to the state capital. Senator Martin did not go to Richmond, although he is of course greatly interested in the outcome of the meeting of the state committee. Personally the senator is said to be but very little concerned as to what method is finally agreed upon, as he is confident of re-election to the senate. Senator Daniel, and the majority of the representatives who have been in Washington are oppposed to the holding of the convention as proposed by the advocates of the May conference. Senator Daniel stated the other day that if a discussion was brought up in the state committee, that he himself would take a hand it it.

Persons from other southern states, including North Carolina, are indirectly interested in the outcome of the agitation which has been going on in Virginia, as they believe it would, if successful in the Old Dominion, spread to their own states. Several southern states alread chose senators by practically a popular vote, and the demand for a change in the present system of choosing United States senators is said to be steadily increasing in the south.

In response to a request from the department of agriculture, the state chemist of North Carolina has submitted to the department the following report upon the beet-sugar industry of the state:

The 14 samples from the state of North Carolina, had a fair average weight but as was to be expected, the contents of sugar and the purity were both extremely low. North Carolina must be considered as entirely without the area of successful beet culture.

A Mother Tells How She Saved Her Little Daughter's Life.

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. We thought she would die. I tried everything I could think of, but nothing seemed to do her any good. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was highly recommended and sent and got a bottle at once It proved to be one of the very best medicines we ever had in the houses. It saved my little daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my daughter much suffering.—Yours truly, Mrs. Geo. F. Burdick, Liberty, R. I. For sale by C. E. Holton, druggist.

A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Groton, S. D. 'Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God I am saved and now a well and healthy woman. Trial bottles free at C. E. Holton's drug store. Regular size 50c and $1.

Guaranteed or price refunded.

Easy to Put on---Easy to Take off

There's "a something" about our clothes to measure that you don't find in others—they slip on easy, they slip off easy—and most important, **they fit.** Let us make your next suit—put it on, walk down street with it, people will look after you and admire it. Tell your friends that you paid only $15 or $20 for it and they won't believe it. Don't seem credible. Tell them it cost anywhere from $25 to $40—they'll believe that, while your pocketbook has at least $10 the best of it. Tell your friends about our famous $3 trousers and our wonderful $15 Serge Suits to order.

"So you've set up a hired girl" said farmer Muchland to his son. "Your mother never had a hired girl. She worked early and late, and raised a family. Hired girl indeed! Look at your mother, sir."

"It's just looking at mother" said the son "made me resolve that my children's mother should never look like her, worn out in her prime."

In the partnership of marriage women give twice as much as men. They give equal work, and they give themselves, their very life. Children come. No chance for rest, work must go on. Inflammation, ulceration, debilitating drains and female weakness, undermine the health and shock the nervous system. In a few years the woman is worn out.

Women who have used Dr. Pierce's Favorite Prescription say that they can do their own work and keep their strength and good looks. It cures inflammation, ulceration, female weakness and unhealthy drains.

Sick women are invited to consult Dr. Pierce by letter, free of charge.

"About two years ago my health became very poor from female weakness and troubles peculiar to my sex; in fact I was so weak and feeble that I was able to do but little work," writes Mrs. Josie M. Guess, of Baileyton, Cullman Co., Ala. "I decided to buy me a bottle or two of Dr. Pierce's Favorite Prescription and give it a trial. I took two bottles of the 'Favorite Prescription' and one vial of the 'Pellets,' and these proved to be all I needed. I felt stout and well after taking Dr. Pierce's medicine and have been doing my work with more satisfaction than I had ever felt before."

To cure piles, strike at the root—that's the way. DeWitt's Witch Hazel Salve strikes at the root—it removes the cause, quickly and permanently. Don't squander time and money trying to remove the effects. Howard Gardner.

Will Celebrate Schley Day.

New York, June 12—The men attached to the armored cruiser Brooklyn, now moored at the Brooklyn navy yard, yesterday decided to celebrate July 3rd, the anniversary of the battle of Santiago, when Cervera's fleet was destroyed. They propose to call it "Schley Day." Special invitations will be sent to Admiral and Mrs. Schley, Captain Cook, who commanded the Brooklyn during the battle of Santiago; to Commodore Philip, commandant of the navy yard, and Admiral Sampson, as commander-in-chief of the North Atlantic squadron.

FOR ENLISTMENT OF SOLDIERS.

Recruiting Office Now Open in Greensboro.

The recruiting office for the enlistment of soldiers in our new island possessions has been opened in Greensboro, at No. 113 E. Market Street, opposite the new insurance building, unthe management of Lieut. Douglas Settle.

The kinds of service for which men are wanted are as follows: Cavalry, infantry and heavy and light artillery. Only white recruits are being taken, owing to the fact that the 9th and 10th regiments of cavalry and 24th and 25th regiments of infantry, the only colored organizations in the regular army, are now complete. The general recruiting rendevous for the Philippine Islands is the Presidio of San Francisco, to which all recruits for the Philippine service are forwarded, and from there to Manila by government transports. Port Wood, New York City, is the general rendevous for those enlisting for service in Cuba and Porto Rico.

The following qualifications will be observed in the enlistment of men: Applicants for enlistment must be between the ages of 18 and 35 years, of good character and habits, able-bodied and free from disease, and must be able to speak, read and write the English language. For infantry and artillery the height must be not less than five feet four inches, and weight not less than one hundred and twenty pounds, and not more than one hundred and ninety pounds. For cavalry the height must not be less than five feet four inches and not more than five feet ten inches, and weight not to exceed one hundred and sixty-five pounds. No minimum weight for cavalry. No minor can be enlisted without the written consent of father, only surviving parent or legally appointed guardian. The term of service is three years.

All soldiers receive from the government (in addition to their pay) rations, clothing, bedding, medicines, and medical attendance. Pay of a private in time of war, $16.50; of a first sergeant, $30. A soldier enlisting at any place is allowed travel pay at the rate of one day's pay and thirty cents in addition for every twenty miles from the place of discharge to the place of enlistment. The travel pay, therefore, from San Francisco to Greensboro would be $127.50, fifty dollars more than would be needed to transport him from the former to the latter place.

Applicants are required to satisfy the recruiting officer regarding age and character and should be prepared to furnish the necessary evidence.

Only citizens of the United States or persons who have made legal declaration of their intention to become such are eligible for service.

SILVEY CONVICTED.

First of the Wilmington Counterfeiters Found Guilty.

Wilmington, N. C., June 12—The well known young white man, Walter Silvey, who was arrested here a month ago by Detective Perry, of the secret service, for counterfeiting, was convicted in the United States court today, and will be sentenced tomorrow. When Silvey was captured, on his person were found over 700 spurious 5-cent pieces and a counterfeiter's apparatus.

The trial of Nick Politz, the young Greek charged with counterfeiting, is set for tomorrow, and the preliminary investigation in the case against A. J. Marshall, Esq., who, it is alleged, was an associate in crime with the Greek, will come off Wednesday.

What is Kodol Dyspepsia Cure? It is the newly discovered remedy, the mosteffective preparation ever devised for aiding the digestion and assimilation of food, and restoring the deranged digestive organs to a natural condition. It is a discovery surpassing anything yet known to the medical profession. Howard Gardner.

"Be mine," pleaded the lover fervently. "It has ever been my ambition to win your fair hand for my prize in life." "I'm sorry, Mr. Steighlate," replied the sweet girl graduate. "The prize has been won by another, but I'll award you honorable mention."

No Cure—No Pay.

That is the way all druggists sell Grove's Tasteless Chill Tonic for Chills and Malaria. It is simply iron and quinine in a tasteless form. Children love it. Adults prefer it to bitter, nauseating tonics. Price, 50c.

Henpeck—"My wife considers me a perfect fool." Nowed—"Did she say so?" "No; but if a word to the wise is sufficient, what else makes her jaw me all day?"

What you want is not temporary relief from piles but a cure to stay cured. DeWitt's Witch Hazel Salve cures piles, and they stay cured. Soothes and quickly heals old sores, scalds, cuts, burns, wounds and skin diseases. Howard Gardner.

Cholly—"Do you suppose that your fathah would seriously object to me—aw—marrying you?" Miss Pert—"Well, if he's anything like me he would."

W. M. Gallagher, of Bryan, Pa., says: "For forty years I have tried various cough medicines. One Minute Cough Cure is best of all." It relieves instantly and cures all throat and lung troubles, coughs, colds, croup, whooping-cough, la grippe and pneumonia. Howard Gardner.

But stop. This is going to take work, and too much exercise this hot weather is risky. You want to be conservative in your investigation; you want to be deliberate in your movements, and you must keep your person in a cool, normal state.

Old Depot Being Torn Away.

We venture the assertion that within the next few days the old and recently deserted passenger depot of the Southern Railway will be a thing of the past. A large force of hands has been working all day tearing down the structure and moving the debris to make room for more tracks which will be put down at once. It will be several days before the real value of the new and commodious depot will be realized, but the company is sparing no effort in making the place one of beauty and convenience.
